

Sunday March 13 1881

it froze hard last night I have got a cold in my head. being on the way I feel well and hardy. I am waiting now to see if any mail comes in by half past two before we go off for we are going to Raleigh and to the State assembly. we went by the way of Bradley's fall and up through the fields it is quite a cut off. Betty is somewhat better we stayed and had to give some back out on the way. we come back the way that we went. called at Mary Ann's again. then went on home so now I will quit for this time. all is well with me at present

Saturday March 14 1881

the classes and Davis and myself and Bro Chappell have been up to Boston this afternoon. to the circus. with Love and for Bro Chappell and myself in the circus. with the Love and myself in the circus. had a good time. Bro and wife Davis and myself and Bro Chappell went in a coffee tavern

and had a cup of tea then we went up to the Museum it was grand in lots of nice paintings Amos went with us we got home about 9 o'clock. 5:45 we had a good look through the main part of Boston

Sunday March 15 1881

it has been colder wet to day we had our two meetings. in the evening we had two strangers had a good time

Monday March 16 1881

it is wet and foggy we and seven other folks to day. then went up to Robinson had dinner. then went down home. I got a letter from my wife this July last two weeks. they are well but Judy she is was a little sick I hope she is better by this time. walter Robinson came down for us to go back up to the house for my Sunday we went to see Mrs. Kinley, mother was there we had quite
