

Bro Humphreys as seen out backing a little today. my feet as been pretty bad today. my corns as fast and quite a lot. I am in hope that they will be better before long. I hope so anyhow. we start for Manchester in the morning to council meeting

Thursday May 7 1891

This is odd ~~they~~ ^{they} council meeting day today. had a good time today in Manchester all night. Joseph came around

Friday May 8 1891

I went with Joseph Kirkman to Liverpool today. I don't quite like that of turning around today looking after Jants or they come in on the steam taking the up to 42 to get their tickets. Then we all went down to the Dock and got on the ship. I stay all night on Board. quite a time getting the rain to their wishes at a little late.

Saturday May 9 1891

It is raining this morning. after Breakfast. Joseph about on deck. I seen the old boat tug out of the Dock. He left at 11 o'clock. A.M. then I and my Thompson went back to the Station and took the train for Manchester. Mary went to ~~Manchester~~ Radcliffe. and I went on up to the conference house stayed a little while. Bro Gibson and Wally came in from Babae off. I started a little while. then I went on up to Colham I walked all the way - up. This is all for this time

Sunday May 10 1891

It is raining this morning. Bro Humphrey went down to Rochdale. I went to meeting. This afternoon in Colham three men came in to make a basket. I think they were something to do with
