Dear Mary

you cant look for me
home untill a bout
the 16th so be a good girl
and dont work to hard.
I will tell Sam to go
and cut you some
wood. there is so many
sheep here and snow
scarce that I think I
had better stay.

But it is just all that
I can do to stay and
let John come in.

But then I see you

can get a long all
rite as long as you
keep well.

Why didnt you go to
the dance last year
it wouldnt hurt
you to look on.

Alren said you wasent
out that is why I know
you wasent out.

Well I am sleepy and
tired so good night + + + +
