My Dear Mary,

John Mc Ginnis is going in  
in the morning so I will  
write you a few lines.  
The sheep seem to be doing some  
better now. But Mary I dont  
think I shall herd sheep much  
after this spring. If we can get  
some good Mexicans to herd them  
and then we could stay home  
more and farm. I think that  
would be better dont you.  
Well it is getting harder for me  
to stay a way all the time  
and I dont no what I  
will do in a another six

months. But never mind  
some day I will be able to  
sit on your lap now and  
love you most I. But say  
Mary if you do get out of  
ward before I get back you  
will have to get some one  
to cut some for you. But when  
I come I will try and  
make arrangements to get some  
more dry wood. I just feel  
bad to think that my Wife  
is home and as to burn green  
wood, and dont have all  
she wants of that.

I tell you now if it was  
like you was last year this  
time I would sure take  
you to the mountains with  
me this year. I dont no  
what is the matter

with you. But I like you  
better all the time. Well I will  
get you home sick if I dont  
quit writing this way.

May go to the store and  
get me a pair of shoes No  
8 stages but not quite so stiff  
as these I have. and send them  
out the first one that comes  
and some one will come and  
soon. I never told John any  
think a bout is smother want-  
ing him to come in Kresdy  
untill it was to late. and  
say he was mad at me.

Well be a good girl and  
God bless your sweet heart.  
I am going to be home  
more soon or sell every  
shup I have got

so good by +++ from  
your loving Will
