Dear El. Uva:

Manassa, Colo.

Dec. 16, 1929,

I just received your good letter again, I sure do appreciate your writing so regular and often now over a week. It has just been impossible for me to write, baby hasn't been well for 2 weeks, but he is better now, his stomach has been out of order I been to Dr. is always 3 times since I last wrote to you, and you know that takes lots of time and have to write catch up when I get home, he takes lots of tending. I'm glad every nite he is one day older and perhaps a little stronger, he will soon be 10 mos old I think when he is a year old, he will be stronger. He is on the floor now pulling him self up to stand by my dress, he tries to walk, but I have to try not to worry about the work, the girls are good to help, Mrs. Eng isn't any extra, we never see her until noon (she doesn't even come in the bath room in the morning) I have dinner ready, then we set her a lunch or supper alone at nite, and we have come up from dinner. But I guess its just one I'm not or felt or I used to be.

Sis Christensen just come over so couldn't get my letter. You will be surprised to know Pa turned our <sup>old</sup> car on a new one. (2 door) But the children all wanted different ones but Alfred run out, he wanted Pa to get a 6 cylinder like Warren's how is your car holding out. do you like it. our old one run 30,000 miles. and needed lots of repair so Pa that he better turn it on another.
